"A massive thank you to the whole team for providing casino tables, air hockey, table football and a photo booth for our wedding at Linden hall in Northumberland. You were a pleasure to have attend, and very patient and caring with all of the guests (particularly our 94 year old granddad who was thrilled to win 8000 pounds worth of fun money!) many thanks once again for making our day so special!" **Ruth Davidson**

"Thank you for your kind support with our Roaring 20s Charity Ball. We greatly appreciate this. We received many comments from our guests who greatly enjoyed the entertainment. Providing your time and providing excellent entertainment helped us to raise a huge £13,236.00. These funds help us to continue our work helping to support women and children to live safe and free from abuse. The evening was a huge success and we hope you enjoyed it too. Your help is very much appreciated." **My Sisters Place**

"Thank you for the brilliant casino tables you arranged for my sons 21st birthday party at Lumley Castle. Everyone really enjoyed playing and the fun money with Freddie's picture went down a storm! A lovely idea. The two staff at the event were perfect, professional and fun, and certainly created an atmosphere, please pass on my thanks. If ever the opportunity arises I would certainly use your company again and will definitely recommend you." **Louise Taylor**

"Myself and Daniel just wanted to say a huge thank you for providing the casino at our wedding! It was the best move we made throughout the whole wedding in booking you! It went down a storm and even now all our guests keep saying how much fun they had and how it was one of the best weddings they had ever been to! Thanks again, we will defiantly recommend you to anyone!" **Gemma & Daniel Reed**

"I would like to express my personal thanks for all of your help and support in this event, the guys you sent for the day were great. Thank you, since the event we have been in a whirl! The feedback from all of the staff who came along with their families has been very positive and the most incredibly kind thanks expressed for everything they all experienced on the day. In order for the event to be a huge success, the event's team couldn't have managed to make it work without the help and support of all of you that day. We would like to take this opportunity to extend all thanks for helping us to make the day a huge success and in turn, potentially continue to make the fun day an annual event." **Cleveland Bridge UK**
